"SO LATE."

Some one of the city preachers has rather than in the past. We, too, bethat the devil is not gaining ground, "new earth, wherein dwelleth right-

enough to recall by-gone will ever insist that that past was illumined by a home-life which has no counterpart in son's has done his duty and rests from to close observers, as it has been anthe age in which we live. The ideal his labors. Though dead he will yet nounced that a number of franchises country home of the Southland surrendered with the immortal Lee at to better living. Appointation. True its fading brightness flickered for a while, but slowly and yet surely it ended in darkness, leaving no trace of light behind. The full glare of electric brilliancy will not restore that radiance, improved machinery will not give back its conveniences, automobiles will never take the place of the family carriage with the colored aristocrat in charge of the reins, automatic fans on the dinner table will not compensate for the little "nigger" with the fly brush nod though he would, canned goods are not mother's preserved goods, mince meat of the stores is not the mince meat of the closet, and as dispensers of hospitality the world will not give us duplicates of the men and women who presided over these Southern homes, We will not forget that we live in the present and not in the past, that the throbbing now has claims upon our loyalty, that the passing moment is pregnant with good or evil for us, that "forward" is the command of the hour, that "up and doing" is the day's duty, and yet we will be pardoned for feeling now and then for the "touch of the vanished land," for listening for a voice that is still, for walking again the old paths and for holding sacred communion with a dead but ever dear past. One of the delights of the heavenly life may consist in reviewing the way by which the pilgrims reached the better land. Memory is as much a gift of God as is hope. Lamenting is
